When You're Down and Troubled

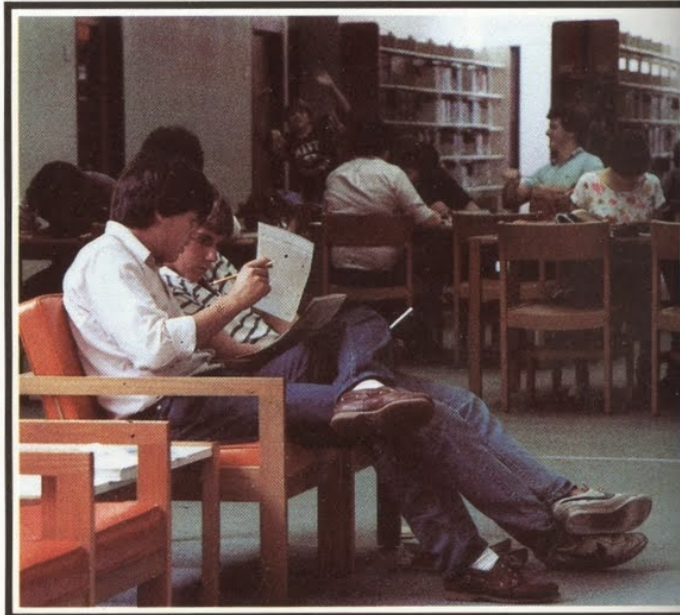

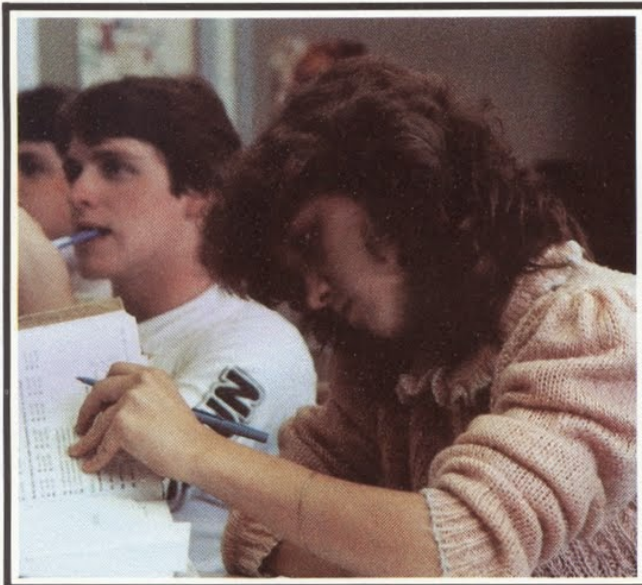

And You Need Some Love and Care

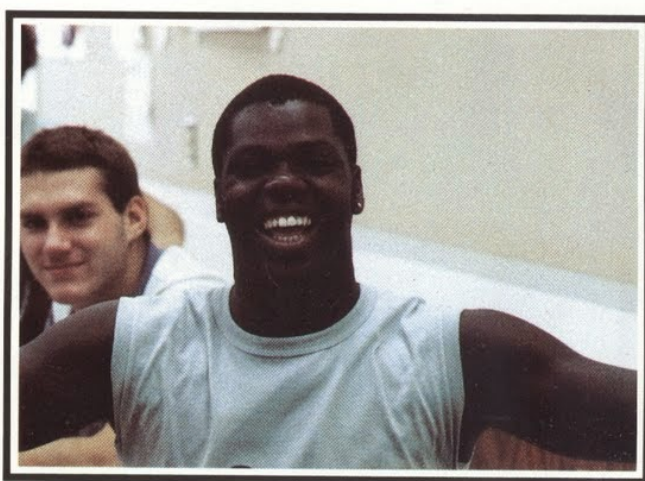

**And Nothin'
Nothin'
Is Going Right**

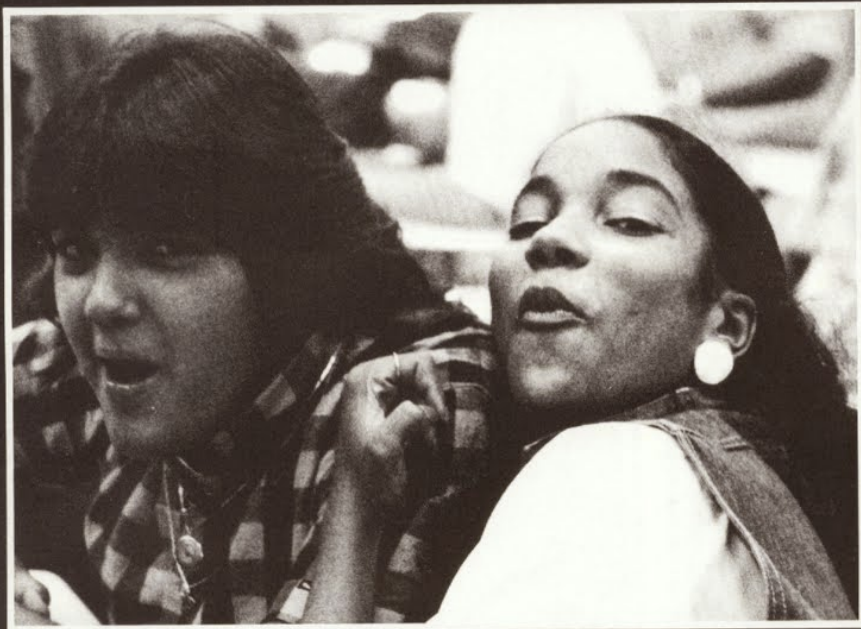

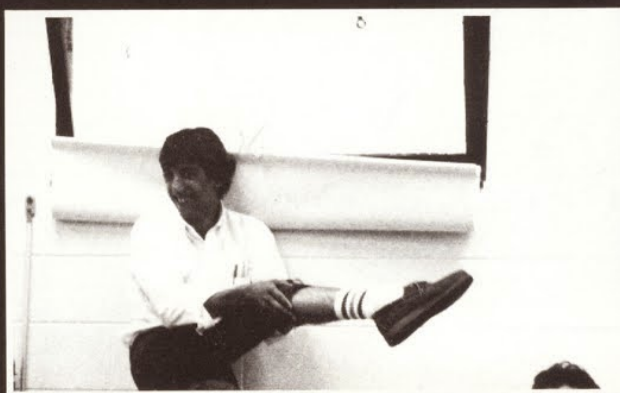

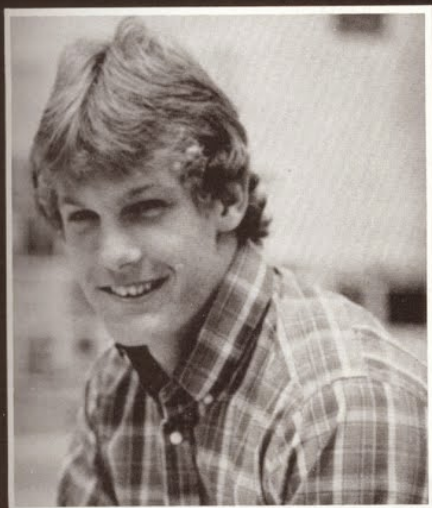

**Close Your Eyes
and Think of Me
and Soon I Will
Be There**

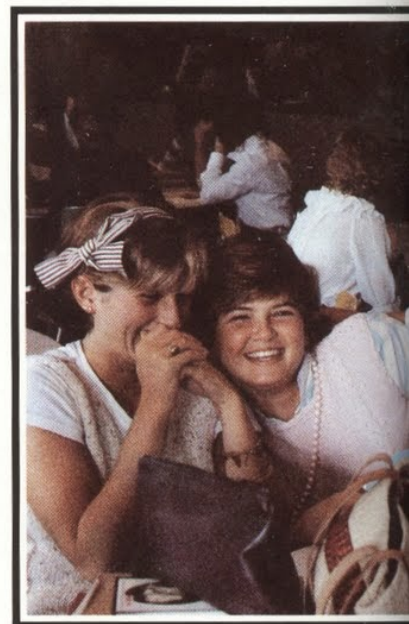

To Brighten Up Even Your Darkest Nights

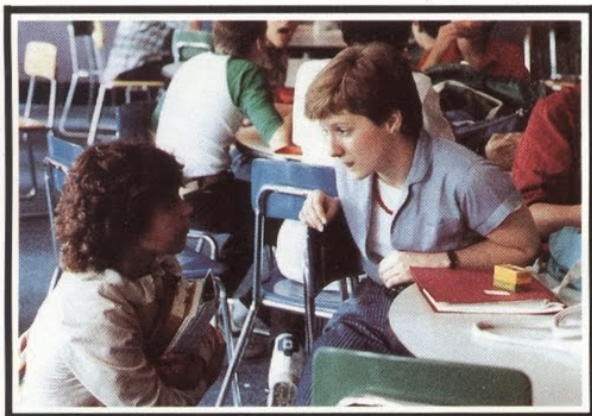

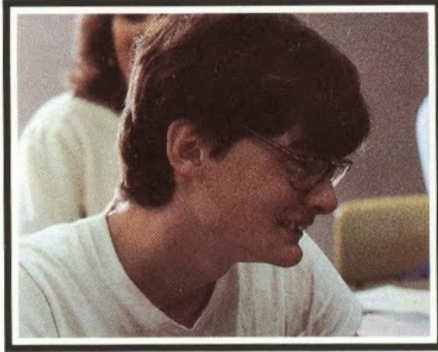

**You Just Call Out My Name
and You Know Wherever I Am**

**I'll come Runnin'
to See You
Again**

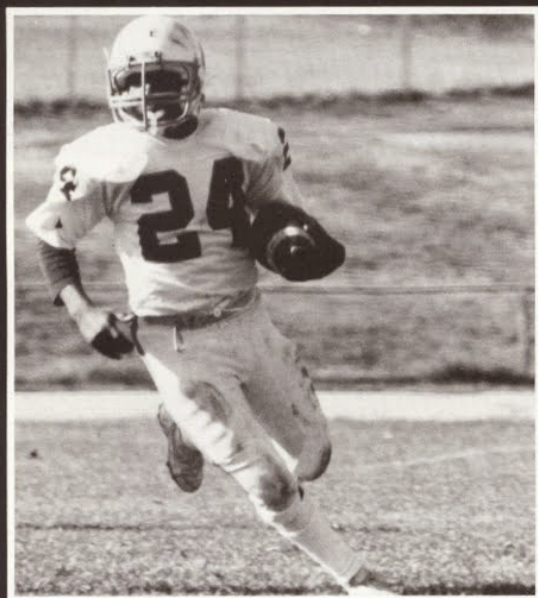

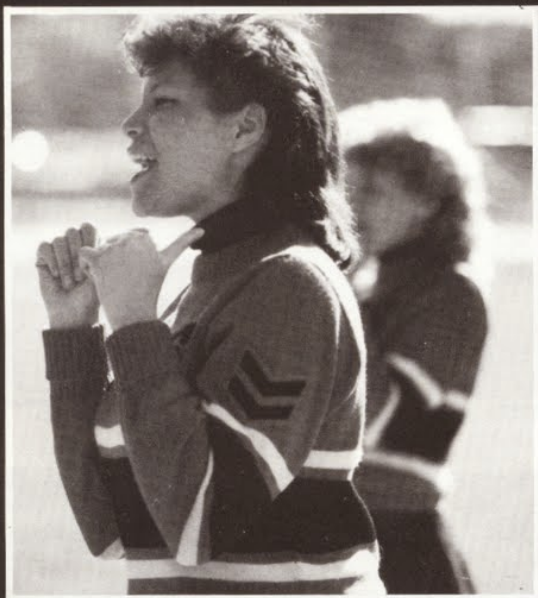

**Winter, Spring,
Summer or
Fall**

All You Have to Do Is Call and I'll Be There

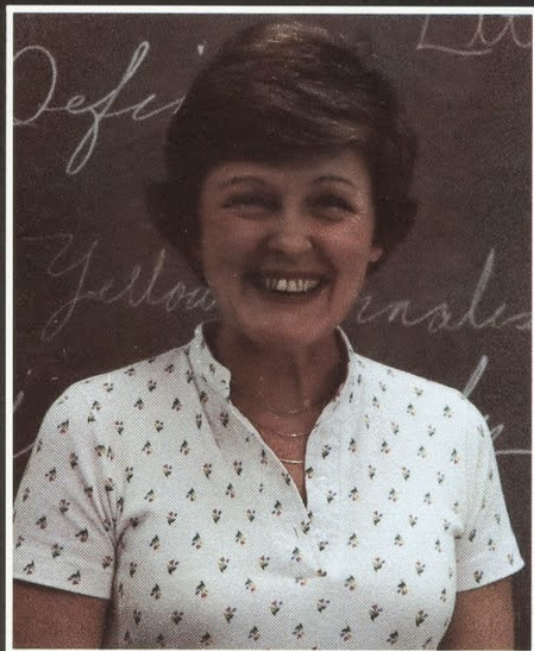

You've Got A Friend!

**Ain't It Good
to Know
You've Got a Friend**

Dedication

Mrs. Linda Thurman

"Hi, yall!" is the greeting which one would obtain from this friendly, Southern lady. However, do not let her Southern drawl mislead you. Mrs. Thurman has taught Tauntonians the perfect form of English grammar for many years.

This unique woman has brought her special flair to the often tedious subject of English. She has even transformed the "dreaded term paper" into a useful skill. Taunton High's "Southern belle" has helped students to broaden their horizons by reminding them of the world's many opportunities.

For all of her guidance, we would like to thank Linda Thurman. Those students, who have been touched by her kindness, have indeed been fortunate.

Special Thanks

The 1985 graduating class would like to extend a special thank you to its class advisor, Pauline Pratt, for her dedication, concern, and generosity.

Pauline Pratt

FACULTY

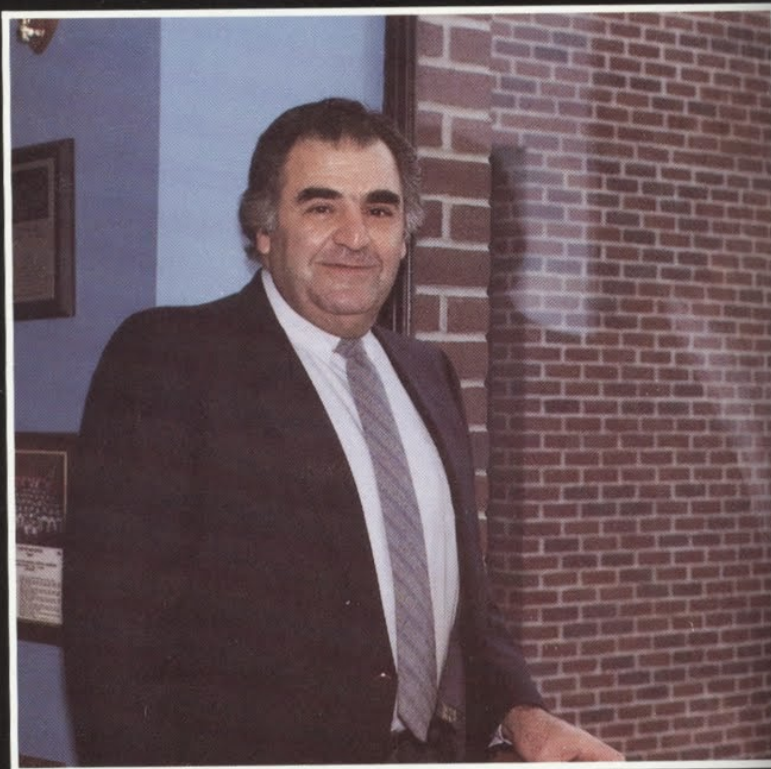

Members of the 1985 Graduating Class

Four years ago you walked through the doorway of the Taunton High School. During the passing of time, you have acquired an education as well as new friends. You have lived, laughed, and matured.

However, it is now time for you to go out into the world and to make your own decisions. You must decide on your goals and ambitions, and you must choose your ideals and the things for which you stand.

Hopefully you have learned that only what you put into your work you get out of it — in life we all reap only what we sow. You shall continue to grow and look for further understanding through the open doors of the future.

Good Luck!

Editor's Message

Like mature leaves, we are ready to leave our mother tree, Taunton High School. Our school has nurtured our self-confidence, teaching us to stand up for what is morally right. Taunton High has courageously confronted some controversial issues during our years here. The subjects of drug abuse, alcoholism, suicide and teenage pregnancy have been faced and explored. Officials, teachers and students are learning to pull together to overcome these problems.

We, the seniors of 1985, have learned to deal with and overcome many situations thanks to the guidance and support Taunton High has provided. Therefore, unlike leaves which fall and perish, our 1985 class will go forward and, hopefully, share some of the knowledge and love we have received from Taunton High School.
